### Special Instructions

Though this event is conducted on the Manassas NBP, this is not a NPS considered sponsored event. The 28th is responsible for conducting the living history and itinerary. **Masks are not required if you are vaccinated though we request you bring one. We will be conducting a public firing demonstration which will include firing in nine times, and company firing revolutions.** Interactions with the the public via discussions, games, demonstrations and discussions are highly encouraged. Request members be in place by 0900 on Saturday and ready to go with the option of camping on Friday night for those of us eager to get started. **For those that will be camping on Friday, please don't show up to set up camp before 1500. We will be able to drive gear on to the site. The park asks that we minimize driving on the field by carrying members'gear in as few vehicles as possible. All NPS rules and regulations will be abided by at all times.**
