

28th Mass. Co B.

Event Action Plan

Event: Alexandria St. Patrick's Day Parade	Date: March 4th, 2023
Location: King St, Alexandria, VA 22314, Parking near the assembly area.	
Description: (Type: <i>Reenactment, Living History, Demonstrations, Historical Significance, Unit Depiction, etc</i>) This is a marching parade of a distance approximately eight blocks. Aim to be at the formation area by 09:00 if you are borrowing loaner gear, or 10:00 otherwise. We will also need to practice a bit. Parking will be at local parking garages. See parking information in the <u><i>Special Instruction</i></u> area below. There will be no place to secure gear at the site. IT DOES NOT APPEAR WE WILL BE WEARING GREATCOATS. On the day of the event, Captain Pankey will post and email any updated information, so check your devices.	
Company POC: Captain Joe Pankey (703)300-4132	Event Coordinator: Captain Joe Pankey (703)300-4132
Threats/Safety: Bring water to avoid dehydration.

Assignments

Commander: Captain Joe Pankey (703)300-4132	Colors: Corporal Hal Lapham
Provisions/Food/Cookware: Please bring a haversack lunch.	Tentage/Fly: N/A

Special Instructions

Parking instructions: <ul style="list-style-type: none"> ♣ For those who have to pick up loaner gear, meet at 9:00 AM at the intersection of Princess and N. Alfred St. at the edge of the formation area. ♣ For all others who are participating, meet by 10:00 AM on N. Alfred St. between Cameron and Queen Streets, inside the parade formation area. We will form the Company and drill the movements needed for the parade. ♣ This year we will be using the Parking garages in the Old Town area rather than the Masonic Memorial. Two Maps have been provided on Facebook and by group email, one of the parade route and formation area, and one of the parking garages in the Old Town area. ♣ We will not have any ability to store extra gear at the site. Do not bring more that you can carry, except at the 9:00 meeting time, prior to parking your vehicles. ♣ It does not appear we will need greatcoats.
