

## Quartermaster Report (Ordnance Stores/Uniforms)

January 24, 2026

Members of the Company:

I have the honor to submit the following report.

The requirement for Company loaner kit over the course of the 2025 season was for over 20 complete and partial issues for event use. All partial/complete company issues for arms and equipment are ALL accounted for and presently in the hands of the treasurer.

The Company Board and Military Cadre did sell One wall tent for the year 2025. The precedes went to dry cleaning some of the donated clothing received this year.

All equipment is inventoried, maintained, containerized and stored presently off site until a new quartermaster ( or interim) can be appointed. All 6 muskets have been cleaned and properly stored ready for the next event.

Presently, a total of 6 personnel can be completely outfitted for a single event. We have this year been fortunate to receive additional loaner equipment items which have been cleaned and reflected in the inventory spreadsheet.

I have updated the inventory spreadsheet Quartermaster of 2025 and have furnished the interim quartermaster a copy.

It has been a pleasure serving the 28th and wish the next quartermaster much success.

Your Obedient Servant,
